

# FREE Landfill Disposal Day

Saturday, July 9, 2011

8:00 a.m. to 2:00 p.m.

The City of San Antonio's Solid Waste Management Department, in partnership with area landfills, offers you the perfect opportunity to get rid of all your unwanted items, and it's **FREE!**

- This service is free only to the City of San Antonio Residential Solid Waste rate payers.
- You **MUST** bring a copy of your recent CPS energy bill showing payment of City services and a picture ID.
- NO contractor, commercial, or industrial waste will be accepted at this event.

## FIRST - Reuse & Recycle!

Reusing materials and recycling are some of the most powerful ways you can protect the environment and make a difference for future generations. Before throwing away unwanted household items, consider donating the items to Goodwill, Salvation Army, your local church, or any other local charity. Place other household recyclables (newspaper, glass bottles and jars, plastic containers, aluminum cans, clean pie tins, steel and tin cans, and empty aerosol cans) in your blue container as part of your weekly curbside recycling collection. To learn more about other household recycling options, call the City's Recycling Coordinator at 207-6416 or 311 or log onto [www.sanantonio.gov/swmd/](http://www.sanantonio.gov/swmd/).

## SECOND - Clean Up!

We will accept household trash such as mattresses, appliances, sofas, or other junk in your home and a maximum of six passenger car tires per household. We will also accept clean brush and leaves (No plastic bagged leaves) for recycling at our Bitters Brush Recycling Center (see map).

**NO HAZARDOUS WASTE ACCEPTED.** Paints, chemical pesticides, motor oil, batteries, solvents, etc. will NOT be accepted at the drop-off sites. These items should be taken to the City's Household Hazardous Waste Facility located at 7030 Culebra Road, open Fridays 7:00 a.m. until 4:00 p.m. and Saturday- 8:00 a.m. until 3:00 p.m.

## THIRD - Separate It, Load It & Cover It!

Bundle your brush separately from your other household trash. Properly load (distribute weight evenly) and cover your load with a tarp or you may be subject to a penalty (Tarp Law-City Ordinance # 722272).

## FOURTH - Choose the Location Nearest You!

See map and locations on reverse side.

- WM Covel Gardens Landfill 8611 Covel Rd.
- AW Tessman Landfill 7000IH 10 E
- Southside Drop-Off Center HWY 90 & Callaghan
- TDS Starcrest Transfer Station 11601Starcrest Dr.
